## MAJESTIC GOLD CORP. CLOSES PRIVATE PLACEMENT

**Vancouver, British Columbia – February 9, 2018 - Majestic Gold Corp.** (“Majestic” or the “Company”) (TSX.V: MJS, FSE: A0BK1D) is pleased to announce that the Company has closed its non-brokered private placement financing (the “Offering”) announced on January 25, 2018, for total proceeds of \$9,708,738 by the issuance of 64,729,919 common shares at \$0.15 per common share.

In connection with the Offering, the Company paid aggregate finder’s fee to two arms-length individuals who introduced it to private placement investors by issuing 3,236,246 common shares.

All securities issued in connection with the Offering are subject to a statutory hold period expiring on June 9, 2018.

The Company intends to use the proceeds from the Offering for general working capital, to advance the Company’s projects, and to fund possible acquisitions. The Company also plans to explore direct financing of its Chinese subsidiary through an Asian Market facility, with a possible separate listing of the subsidiary’s shares on an Asian exchange.

### **Cautionary Notes**

*Certain statements contained herein may constitute forward-looking statements and are made pursuant to the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995 and Canadian securities laws. Forward-looking statements are statements which relate to future events. Such statements include estimates, forecasts and statements as to management's expectations with respect to, among other things, business and financial prospects, financial multiples and accretion estimates, future trends, plans, strategies, objectives and expectations, including with respect to production, exploration drilling, reserves and resources, exploitation activities and events or future operations. Information inferred from the interpretation of drilling results and information concerning mineral resource estimates may also be deemed to be forward-looking statements, as it constitutes a prediction of what might be found to be present when, and if, a project is actually developed.*
