### **FORWARD LOOKING INFORMATION**

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of the word, “will” and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company’s current belief or assumptions as to the outcome and timing of such future events, such as completion of the IPO. Actual future results may differ materially.

Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information, including references to the IPO, the ability to successfully complete the IPO, and the disclosure in the Prospectus. Those assumptions and factors are based on information currently available to the Company. The Company cautions the readers that the above list of risk factors is not exhaustive. Those assumptions and factors are based on information currently available to the Company. The forward-looking information contained in this release is made as of the date hereof and the Company is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws, or as otherwise may be disclosed in this news release. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

**Not for distribution to U.S. Newswire Services or for dissemination in the United States. Any failure to comply with this restriction may constitute a violation of U.S. securities laws.**
